## Imagining the Spectacular: The Art of Peter Paone

Renowned painter and printmaker Peter Paone presents a vivid and imaginative body of watercolor work, many pieces on view for the first time. Known for his decades-long influence at the Pennsylvania Academy of the Fine Arts, Paone creates richly layered scenes that blend art history, theatricality, and surreal imagery. His compositions—both whimsical and mysterious—invite viewers into a dreamlike world where meaning is open-ended and stories are left to unfold in the imagination.
